# HAPPY WOMEN.

Wouldn't any woman be happy,  
After years of backache suffering,  
Days of misery, nights of unrest,  
The distress of urinary troubles,  
To find relief and cure?  
No reason why any reader  
Should suffer in the face of evidence  
Like this:

Mrs. Almira A. Jackson, of East Front  
St., Traverse City, Mich., says: "For  
twenty years I  
was doctoring  
for kidney and  
liver trouble,  
but without ben-  
efit. Just before  
I began using  
Doan's Kidney  
Pills I was al-  
most paralyzed.  
I could hardly  
stand because  
of the numbness  
and lack of cir-  
culation. Had a  
knife thrust into  
my kidneys the pain  
could not have been  
more intense. My  
sleep was disturbed  
by visions of distorted  
figures. The kidney  
secretions were  
irregular, and I was  
tortured with  
thirst and always  
bloated. I used  
seven boxes of Doan's  
Kidney Pills. The  
bloating subsided  
until I weighed 100  
pounds less, could  
sleep like a child,  
and the irregular-  
ity of the kidney ac-  
tion was good and I  
feel better in every  
way."

A FREE TRIAL of this great kidney  
medicine which cured Mrs. Jackson will  
be mailed on application to any part of  
the United States. Address: Foster-Mil-  
burn Co., Buffalo, N. Y. For sale by all  
druggists; price 50 cents per box.

**Better Than Medicine.**  
Breathe Hyomel's Tonic Healing and be  
Cured of Catarrh.

Nature has a remedy for catarrh,  
a treatment that is far better than dosing  
the stomach with medicine.

It is the healing oils and balsams of  
Hyomel which medicates the air you  
breathe, reaching the most remote air  
cells in the nose, throat and lungs, killing  
all catarrhal germs, and restoring health  
to the mucous membrane.

By using Hyomel you are treating your  
catarrhal troubles with the only natural  
remedy, for it gives a curative air bath to  
the passages that has as powerful  
healing and antiseptic effect as that  
found in the mountains where the pine  
forests give off their fragrant and heal-  
ing balsams.

Breathe the invigorating and healing  
Hyomel, and see how quickly you will  
get relief from your catarrhal troubles.  
Frank Kimball, proprietor of the Noyes  
of the worst cases of catarrh, with  
frequent sneezing, raising of mucus, fre-  
quent sneezing, droppings in the throat  
and spasmodic coughing, that they feel  
absolute guarantee to relieve the money  
if it does not do all that is claimed for  
it. He takes all the risk.

## HANOVER.

U. O. P. F. Public Installation.  
Penacook Colony, No. 48, U. O. P. F. held a public installation Thursday evening, Oct. 24th, at which a large number of their friends were present. The following officers were installed by D. S. G. Arthur M. Soule of Portland, assisted by Mrs. Soule as D. S. S. at A.

Gov. J. B. Roberts.  
Lieut. Gov. Mrs. Etta Holt.  
Chap. H. N. Howe.  
Sec. Mrs. Caroline G. Howe.  
Col. A. G. Howe.  
S. at A. A. D. Thurston.  
D. S. at A. Mrs. Annie Russell.  
S. J. G. H. J. Russell.  
S. O. G. G. L. Smith.

Interspersed with the installation exercises was a pleasing entertainment consisting of the following well rendered numbers:

Piano trio.....  
Etta Howe, Mrs. Laura Howe, Mrs. Barker.  
Reading.....  
Piano solo.....  
Vocal solo.....  
Piano solo.....  
Piano solo.....  
Piano solo.....

The exercises closed with brief but interesting remarks by the Gov. and D. S. G. The hall was then cleared and the remainder of the evening devoted to dancing.

Etta Howe and Arthur Howe were guests at the Poor-Swett wedding at Andover, Wednesday evening.

Ralph Richardson has finished work for Frank Russell and is now at work for Smith Bros. on their farm.

H. C. Duntun and family of Virginia with a party of friends have been spending the past few weeks at their cottage at Howard pond.

W. B. Rand of Westbrook spent Sunday with his wife and son who are staying with Mrs. Rand's parents, Mr. and Mrs. W. S. Howe.

Several sportsmen arrived at Indian Rock camp last week. Among the number were Irving Morton and J. W. Ludington of Bramford, Conn., and Oscar Dike of New York. Mr. Dike brought in a deer Thursday.

Nelson Austin, who is at work in the woods for Marshall Swain, met with an accident Friday, falling from his load, breaking two ribs and receiving other severe injuries. He was brought home at once and at this writing is still ill.

## NORTH BRIDGTON.

Died on the Train.  
David L. Merrill accompanied by his son, Arthur, left his home in North Bridgton, Tuesday, to go to Holliston, Mass., there to make an extended stay. Arrived at Bridgton Junction at about 10.30, he a few moments later boarded a car of the down train to the Maine Central. He, however, had scarcely taken his seat when he was stricken by heart failure and expired. The dead man was at once removed to the depot, whence the body, in charge of his son, was taken on the afternoon train to North Bridgton.

David Lafayette Merrill was formerly of East Waterford but moved with his family to North Bridgton village a few years ago.

His wife is dead and he is survived by two children, Mr. Merrill and Mrs. Charles E. Green, both of whom are residents of North Bridgton. Mr. Merrill was about 70 years of age. His principal life occupation was that of farmer. He was a member of the Odd Fellows' lodge, and a respected citizen.

## BUCKFIELD.

Struck Mountain.  
Kate Maxim has sold her farm to Fred Corbett.

Mrs. Leslie Cummings, who has been sick, is able to sit up a little.

Emma Bragg spent Saturday night and Sunday with Mrs. D. W. Verill. Charles Record and wife, Gertrude, are staying a few days with Mrs. Ellis Whitman.

Many apples in this place have frozen as the farmers could not hire anybody to pick them.

Fred Bennett is shipping his potatoes to Boston. He raised twenty three hundred bushels.

John Pettigill of Auburn has picked his apples on the Taylor place and has returned home.

## OAKS.

It is noted that the use of ox teams are on the increase, and with good reason, for with the high price of horses, grain and harnesses, to say nothing of their liability to death, injury and depreciation in value, a horse team is almost a luxury. An ox team may be slower, but they will get there just the same and will not eat their heads off doing it.

While many of the crops have been a partial failure, this season, the farmers of this vicinity have reason to be well satisfied with the large apple crop, and for which they are receiving from \$2.25 to \$2.50 per barrel. The only trouble has been the difficulty in the buying of barrels, which are hard to get at even thirty-five or forty cents each. Even the common fruit has had a ready market at the canning factory for thirty-five cents per barrel.

**Coughs of Children**  
Especially night coughs. Nature needs a little help to quiet the irritation, control the inflammation, check the progress of the disease. Our advice is—give the children Ayer's Cherry Pectoral. Ask your doctor if this is his advice also. He knows best. Do as he says.

We publish our formulas. We have a large stock of our medicine. We urge you to consult your doctor.

If you think constipation is of trifling consequence, just ask your doctor. He will dissuade you of that notion in short order. "Correct it, at once!" he will say. Then ask him about Ayer's Pills. A mild liver pill, all vegetable.

Made by Dr. J. C. Ayer & Co., Lowell, Mass.

Good Cause for Smiling.  
Will Bryan wears a smiling face this fall for the reason that he has raised 200 bushels ears of nice yellow corn, 107 bushels of oats and about \$75 worth of sweet corn. He has nearly 40 tons of hay in his barn and three tons or more of nice bedding. He has done this work without a hired man, with the exception of his wife presented him with a nice girl baby. Died Suddenly.

## All-Hallow Eve.

For real, rollicking, frolicking fun there is nothing more jolly than a Hallowe'en party.

The observance of Hallowe'en or All-Hallow eve, is a tradition handed down from the ancient Druids, who celebrated their harvest festival on the last day of October. The next day was All-Hallow's or All-Saluts' day, and so they called the festival All-Hallow e'en.

The gay games of modern times are not much like the solemn rites of the Druids, but a connection may be traced between the supernatural beliefs of the ancients, and the burlesque attempts to pry into the mysteries of the future through our Hallowe'en fun represents.

Long after the time of the Druids, simple minded country people continued to believe in charms and witchcraft, and especially claimed that on the night of October 31 witches and goblins held revel and fairies danced about in the woods.

## OXFORD COUNTY ADVERTISER, FRIDAY, NOVEMBER 1, 1907

### BRANT'S POND.

Herbert Clinton Bacon.

The funeral of Herbert Clinton Bacon  
took place here, Monday afternoon, at  
the Universalist church with the Rev. B.  
S. Rice of Norway officiating. The  
service was participated in by the Grange  
and Odd Fellows, and in spite of the  
rain was very impressive.

Mr. Bacon has for many years been  
one of the town's most prominent and  
highly esteemed citizens. He was born  
in Woodstock Aug. 19, 1851, the son of  
Abel Bacon and Cordelia Barry, was  
educated in the public schools here, and  
afterward settled on his father's farm.

He married Alice Hathaway; to the  
couple three children were born—H.  
Alton, Ralph and Myrtle, all of whom  
survive, as well as Walter Bacon, his  
brother. His wife died two years ago.

In many ways Mr. Bacon was active in  
the life of the community. Always a  
Democrat, he served for some time on  
the local Democratic committee; he was  
for a number of years, chairman of the  
board of selectmen, and also served on  
the school board. For years he taught  
schools in Woodstock and adjoining  
places, and of his ability, tact, patience  
and popularity as a teacher all here, and  
the highest praise. In addition, he was a  
member and active worker in the Frank-  
lin Grange, having held various offices  
in it, among them secretary, treasurer  
and master. At the time of starting the  
Grange, his efforts were instrumental in  
establishing it firmly. He was also a  
member of the West Paris Lodge of Odd  
Fellows, having belonged to it for the  
past 25 years, and having attained the  
rank of Noble Grand.

For some time previous to his death  
his health has been uncertain. On a  
visit to Auburn in search of relief, he  
died, October 25th. Mr. Bacon is  
sincerely regretted by his rela-  
tives and many friends, his pupils and  
associates in the Grange, the  
Odd Fellows and others. A man of the  
highest integrity, amiable, kind and lov-  
ing, he leaves a vast place in the com-  
munity which cannot be filled. His un-  
timely death proves a source of profound  
regret and sorrow to all.

**Killed Two Bears.**  
Frank Cushman was at Hastings, last  
week, and in company with his son,

ployed as shipping clerk by the Wheeler  
Reflector Co., at Burrage, Mass.

Jewell of Lawrence were at E. Crooker's  
a part of last week. Thursday, they  
made a trip to North Stoneham, where  
Mr. Crooker captured a buck deer  
weighing 300 pounds.

Many of the farmers here have sold  
their apples to W. M. Temple of Lewiston.  
He is paying \$1.80 per barrel loaded  
loose into the car. Several carloads  
have been purchased. It is understood

A Narrow Escape with Life.  
L. F. Willis and Elmer B. Stetson  
came home from Gilebertville, Saturday,  
returning Sunday.

Mr. Willis had a very narrow escape  
with his life, one day, last week, as he  
was trying to adjust a circular saw in  
the mill which he is running there. The  
mill started up and he barely escaped  
being drawn onto it, receiving only a  
bad ragged cut in the palm of his right  
hand. The wound is doing well, but he  
will not be able to use his hand for some  
time.

The Paris Mfg. Co. branch at West  
Paris has been building a new dry house  
the old one having been moved back to  
the bank of the river and will be used  
for storing logging sleds, etc. The new  
dry house is built on the site of the old  
one and is 58x30 feet. It contains four  
compartments each opening off from the  
machine room by big double doors. The  
steam pressure can be raised to 200  
degrees heat which is much greater than  
the old one. The company have opened  
their camps at Albany and Bethel and  
the logging crews are making ready for  
their winter's work. O. G. A. Morton is

to have them go as they will be much

#### Milk Seven Cents.

It sounds strange but when we go to buy milk now we have to settle the question whether we will have a six cent quart or a seven cent quart. A seven cent quart contains the amount of milk we used to get for a quart at six cents. The six cent quart contains about a cent's worth of milk less, so practically milk is seven cents a quart. A few of our traders advertise the old quart for six cents.
